**PROCEEDS FROM THIS YEAR'S EVENT** will support the National Children's Center, Inc., Early Learning & Early Intervention Center (ELC) in Ward 8. The ELC serves more than 140 children, ages 8 weeks to 5 years, including those with and without disabilities. Approximately 25% of enrolled children have disabilities. Through this inclusive model, the center delivers essential services that support each child's development with intention and care.

#### **ABOUT NCC**

For over 67 years, NCC has been enhancing the lives of people of all ages, diverse backgrounds and differing abilities through inclusive opportunities.

#### **THE LOCATION**

Voted Best Golf Course in Montgomery County by Montgomery Gazette readers, and listed as one of the Top Six Rated Courses in the Washington Area by Golf Advisor, Blue Mash is conveniently accessible to Washington D.C., Frederick, Baltimore and Northern Virginia.

Designed by world renowned architect Arthur Hills, Blue Mash features a mix of links style, parkland, wooded, and water holes. There are no forced carries so it is manageable for beginners and high handicap golfers, and low handicap golfers will find its length from the back tees, strategic bunker placement, and devilish, well protected greens plenty of challenge.

#### **WHY SPONSOR?**

Reserve your spot soon — NCC's tournaments sold out for the last three years!

Sponsors may choose from several levels of participation to boost your company's visibility, consumer awareness, and brand loyalty with leaders in the DC metro area.

*"As a multi-billion dollar company, we have to be very selective with our sponsorship dollars to firms that will actually use that sponsorship to make a true impact. NCC has proven itself as a trusted partner, consistently demonstrating tangible results in community service and outreach."*
